About the Book

Animal lovers rejoice!

The Corgi Companion reveals the secret of the canine mind. Follow two Welsh Corgis throughout their day-to-day routine as they merrily communicate with each other and the world around them. Dogs are spiritual beings capable of deeply-felt emotions. They have strong connections to their loved ones—both human and animal. Never underestimate this relationship; I have seen it proven time and time again. Furry, foxy, and uplifting darlings are these two love-giving spirits, Wellie and Sweetweet, the Welsh Corgis who invite you into their world!

About the Author

Anitra Demirjian is an artist who looks at the world through her paintings, photographs and the written word. Through formal studies she acquired a Masters Degree in Art, while she continued to enjoy riding and showing her horse—a beautiful bay thoroughbred. Anitra lives with her beloved family—husband, corgis and horses—at their small farm on Long Island, NY.
