

FEATURED AUTHOR

**Carolyn Gibbs, author of
*Tuesday's Child***

About the Book

Not all teens on the street are runaways ... some are throwaways.

Lane Harris should be the heir to the family fortune, but the entire town hates her, and everybody's got an ax to grind. Brutalized, left to die, and ignorant of her attacker's identity, she awakes in a Seattle hospital and begins a cycle of flight designed to do nothing more than keep her alive. Lane's life depends on how quickly she figures out the rules of the game, and she's about to find out exactly what she's willing to do to live. Hers is a struggle for just the slightest shred of normalcy and trust.

About the Author

Carolyn Gibbs began writing in the sixth grade and hasn't put the pen down since. Credits include articles and essays in newspapers, poems in insurance industry newsletters, and training manuals for a local insurance company. From 2001 through 2004, she edited and published a monthly community newsletter called *The Good News of St. Thomas Parish*. She balances her time working in education and volunteers at her church.

Testimonials

“Tuesday’s Child is an engaging portrayal of human nature in which the characters exhibit a range of motivations and behaviors that hit home. In a world that seems to be trying to mimic fiction, it is a pleasure to read a book so dedicated to the concepts of individual perseverance and realistic emotion.”

—Davin R., IT Consultant

“Well done, Carolyn Gibbs. It’s full of sorrow, heartbreak, domestic abuse and violence. What clinched it for me though, was that despite all of the hardship, there was always a bit of hope mixed in as well as some very uplifting figures, which was where Gibbs really excels as a writer.”

—A. Kelly, Reader
