**Richard C. Scheinberg, author of
*Seeking Soul Mates, Spirit Guides, and Past Lives***

About the Book

Consider for a moment that life is not a random event or an accident of circumstance and that the essence of who we are continues, even beyond death. In *Seeking Soul Mates, Spirit Guides, and Past Lives*, we can discover new meaning to our lives and garner valuable insights into our experiences! With an artful blend of scientific research and heartrending narratives, this book demonstrates how we can recognize and embrace the spiritual relationships that determine our life's path. Taking us on a journey, illustrated by his professional and personal experiences, Scheinberg offers us a fresh and intimate glimpse of the fascinating unseen world of eternal love and the enduring soul. And in so doing, he encourages and inspires us to embark on a soul searching expedition of our own.

About the Author

RICHARD C. SCHEINBERG has twenty-eight years of professional experience and he is currently the Director of Sunrise Counseling Center, located in Bay Shore, New York, which is a mental health agency he opened in 1993. As Scheinberg has evolved spiritually, he has chosen to devote more time and energy to professional development that is directly associated with what one may call "the life force". This research has included a wide range of training involving mystical and energy practices that relate to life, love, karma, and overall mind-body health. These experiences include ancient and modern forms of meditation, psychic development and formal certification in hypnosis for past life regression.

Excerpt

This book is intended for those who have heard the words “soul mates,” “spirit guides,” and “past lives” and wondered if they are just new age buzzwords or if life beyond the flesh really exists. I invite you to explore and consider the possibilities that these concepts suggest. Read about the hidden relationships that may be affecting your life and may explain your personality, life path, and even your life’s purpose. Let my words arouse your curiosity and provoke you to do some deep soul-searching. Let my personal experience as well as my research challenge your traditional perceptions. See if any part resonates with your heart in a way that gives you further comfort and peace. If it has, then I have achieved *my* life’s purpose.
